

## Competition Details

Protek's Win with Wood competition is open up until Friday 28th August 2015. You can send in your photos whenever you like and they will be stored until the competition closes and judging commences. Winners and runners up will be informed during September with official results and photos being released in the October – December newsletter.

Entries will be judged on originality and use of colours and can be complex or impressively simple. The competition is a celebration of the use of our wood stains on timber products and can showcase garden projects or interior makeovers on furniture, accessories or original works of art.
